BRING THE WORLD TO YOU!

Open World: Moldovan Filmmakers

This December we are pleased to announce we will be joined by a delegation of Moldovan Filmmakers looking to learn about local film production in the Capital Region. While they are here from December 7th-15th we are looking for people interested in becoming a homestay host for 1 week in December. The group will be gone during the normal work day, and we will be providing transportation and most meals.
