

Dear Sir or Madam,

The International Center of the Capital Region is a non-profit organization with a 66-year history of connecting and welcoming immigrants and international leaders to the area. We foster cross-cultural dialogue by engaging with community partners and promoting the region's assets through professional exchange programs.

In the last 10 years, the Capital Region grew by 30,000+, more than half of whom were born outside of the U.S. according to data from the U.S. Census Bureau. As a business leader and major employer of foreign-born workers, we are asking you to partner with us to welcome, connect, and retain a skilled workforce as well as customers and clients to the Capital Region.

We would love for you to join us to elevate the international status of the Capital Region, as well as welcome newcomers to our area. By partnering with us, your organization would enhance community engagement, and align itself with the mission of citizen diplomacy supported by the U.S. State Department. Please see our attached sponsorship opportunities and our website: www.iccralbany.org for more information.

We hope to hear from you soon to discuss how we can work together.

Sincerely,

JENNIFER ZHAO
